OBJECTIVE

A senior position in the Financial Services industry with a focus on Operational Management, Team Leadership, and Process improvements.

PROFESSIONAL SUMMARY

- Energetic and innovative Finance Professional/Controller with 7 years of diverse experience in financial-services industries and leading edge, fast-paced high-tech organizations.*
- High achiever in managing all aspects of budgeting, forecasting, strategic planning, expense management, operations, and administration.*
- Team leader who effectively meets goals through strong leadership interpersonal communication, and analytical abilities.*
- Skilled staff developer and coach who motivates staff to reach full potential.*
- Client-driven change agent experienced in establishing and implementing department goals and objectives, managing change designing successful sales/customer-service strategies, overseeing budgets, and leading sales force toward targeted goals.*

WORK EXPERIENCE

PricewaterhouseCoopers, Mandan, ND

Vice-President/Controller, Financial and Management Reporting, 2011 - Present

- Report to Senior Director, Regulatory and Legal Reporting, and oversee forecasting, budgeting, management/corporate reporting, payroll, accounts payable, and P&L across PWCs business platforms and serve as Group Controller for all support groups, managing a staff of six.*
- Engineered \$US 50 million annual technology spend; obtained technology savings/expense reductions of \$US 4.5 million, including \$US 0.7 million in technology employee and consultant staff reductions.*
- Led major initiatives, including IBM/ISM \$US 12.0 million trade-processing contract renewal with savings of \$US 2.2 million, AS400 lease contract renewal resulting in server consolidations and annual savings of \$US 2.5 million, and CGI (Star Quote) market data contract conversion to Reuters and Bloomberg with annual savings of \$US 1.0 million.*
- Led vendor negotiations with Microsoft/Sony/Compaq/Acer for global desktop replacement program (entailing rollout of 3,000 desktops and networking systems nationwide); performed post-mortem review of projects expenditures; tightly controlled costs and optimized network/server systems to improve budget by \$US 1.0 million.*

Comerica Online Financial Services Inc., Hebron, ND

Senior Manager, Service Quality 2007 - 2011

- Developed and installed units assigned to Sales, Training and Quality, Comerica University, Escalation, Billing, as well as Business Analysis and Reporting, for Call Center Operations, managing sales, customer service, and distribution of Stock Plan Administration Software marketed*

to Corporate Accounts.

- *Exceeded sales goals to generate \$1M+ in sales first year; analyzed market conditions to identify and interpret trends and responded by initiating policy, pricing, and procedures changes.*
- *Designed, developed and delivered first training program to Corporate Services internal and new-hire associates, ensuring successful attainment of Equity Compensation industry certification program.*
- *Decreased inbound volume into help-desk support systems by more than 20 percent by expanding and refining Comerica University program to encompass client base as well as internal associates delivering Certified Equity Edge Expert program that trained clients to utilize online tools.*
- *Managed and packaged SAS70 audit results for Equity Edge software clients and internal outsourcing unit within 4 months and \$3K under budget.*
- *Initiated and managed installation of Six Sigma process program to Corporate Services Department, extending to entire Comerica Corporate Operations planned for 2006; developed and managed external Best Practices client training and support programs to generate \$1.6M+ in annual training revenue.*
